# Admissions and Records

### Mission

#### **Admissions and Records**

The Mesa Admissions and Records Department is focused on and committed to helping our students achieve their educational goals. We foster a supportive environment with services accessible and responsive to the needs and interests of current and prospective students, alumni, lifelong learners, and the people of our local and global community, and we support and facilitate the academic processes of our faculty.

#### **International Student Program**

The mission of the San Diego Mesa College International Student Program (ISP) is to integrate visiting international students onto campus to foster global awareness within the classroom and throughout the community; to support the study-abroad experience of students from around the world who have selected San Diego Mesa College in their pursuit of international education; and to provide immigration advising, ensure regulatory compliance, and deliver comprehensive services throughout the cultural and educational transition from home to the United States. We work to ensure that these efforts culminate in a successful departure from our college and subsequent success in their later academic and personal endeavors.

## Financial Aid

### Mission

Mesa College's Financial Aid Office believes that no individual should deprive himself/herself from fulfilling their educational goal due to financial barriers. It is our mission to provide adequate financial assistance to all eligible students through the coordination and utilization of all resources available to students who meet the program(s) eligibility requirements.

Because of the significance of appropriate funding at the right time, we will strive to simplify, the accurate and timely delivery of student aid by evaluating processes and outcomes not covered under current State and/or Federal regulations that will allow us to remove unnecessary financial barriers for aid applicants.

# Peer Navigator and CRUISE Programs

### Mission

### **Peer Navigator**

San Diego Mesa College Peer Navigator Program is designed to guide and mentor new students through their first year of college. Students will achieve academic success and personal development through peer support and empowerment while providing professional growth and learning opportunities for Peer Navigators.

#### **CRUISE**

Creating Rich Unique Intellectual Student Experiences (CRUISE) aims to prepare and engage new, incoming students through a three-day, on-campus experience. Participants will successfully identify resources necessary to excel academically, connect with other first-time students, and get to know faculty through informal meeting spaces leading to a sense of belonging.

### Student Development Office

#### Mission

In keeping with the mission of San Diego Mesa College's Student Services division, the School of Student Development provides programs and services for students to gain access to educational opportunities and to succeed in their intellectual, social, physical, moral and cultural development. Our programs deliver comprehensive services/opportunities that will ensure a smooth transition for students from work or secondary education to the community college. The programs within the School are designed to increase students' academic success and completion of their educational goal. We successfully conduct all the administrative support functions necessary to support needs of students, the college, the state, federal, and other external educational entities. Lastly, the School of Student Development offers a wide range of programs to enhance the transition of students from the institution to the world of work or to further education.
